Applicants are submitting this IDS and listing references out of an abundance of caution. The identified references may have been listed on an Information Disclosure Statement submitted in a case related by priority to the present case or they may have been cited in a U.S. or foreign Office Action issued in a case related by priority or subject matter to the present application. Applicants submit herewith Japanese Patent Publication No. 8-508879, which is understood to correspond to WO 94/24297, a reference that has been listed on an IDS already filed in this case. Applicants note that they have also included a non-certified priority document for PCT Application WO 95/11301, which is not a proper prior art reference.

A fee as set forth in 37 C.F.R. § 1.17(p) in the amount of \$180.00 is enclosed herewith. If an appropriate check has not been enclosed, or if it is insufficient, the Commissioner is hereby authorized to deduct said fee from Fulbright & Jaworski Account No.: 50-1212/10012461/GNS.

Applicants respectfully request that the listed documents be made of record in the present case.

Respectfully submitted,
